in Cuddapah District.

No. ~~36~~ ORDER THEREON, ~~2nd~~ 1st May 1868, No. 1;2~~nd~~—

Miscellaneous.

1. The Government have received with much regret this unfavorable report of the state of things in Kadiri Talook, but they rely with confidence on Mr. Molony, to use to the utmost the powers granted him for the relief of distress.

2. The Government approve and sanction his proceedings and the proposals of the Board.

3. They understand that a grant of Rupees 5,000 will be at once made by the Famine Relief Committee for the establishment of alms-houses, where the aged, infirm, and infant-poor may be supplied with food.

4. The Collector has been vested with ample authority to provide the means of earning a livelihood on relief-works for the able-bodied poor. He may rely on receiving whatever aid may be necessary from Government for the extension or maintenance of relief measures of any description. The Honorable Mr. Clarke, who has been deputed by Government to visit the district, will give him the benefit of his advice in the matter, and has full powers himself to inaugurate any measures he may deem necessary for the object in view.

5. Should Mr. Molony find that the merchants of Peddapully hesitate or delay to commence the repair of the tank and supply-channel mentioned in paragraph 10 of his letter, the Government desire that he will set the work going at once as a Government work.

6. The Board's recommendation, that a special grant of Rupees 10,000 be made for the road from Royachoti or Poolicoontah to Balasamudrum is approved and sanctioned, and the Collector is also authorized to set in hand at once such works as unskilled laborers can perform along the whole line from Kadiri by Pulivendla and the Mullappa pass to Modanoor station, for the last section of which provision has been made in the Local Funds Budget.

7. Orders will be given in the Public Works Department to make the best arrangement feasible for laying out the work and supervising its execution, the cost of superintendence being charged to Famine works.

8. Instructions have already been sent to place Mr. Supervisor Lewis's services at the Collector's disposal, and Mr. Molony, in communication with the Range Officer, must arrange for employing the most competent Maistries that can be found as temporary Overseers on the works.

9. Mr. Horsbrugh will by this time have joined Cuddapah, and the Government have arranged that Native Surgeon Iyahsawmy, now stationed at Cuddapah, shall accompany Mr. Clarke into the Kadiri Talook. His services will be available for superintending the organization of the alms-houses, and for employment in such other appropriate manner as Mr. Clarke may direct.
