PROCEEDINGS OF THE BOARD OF REVENUE, DATED 14TH MARCH 1868.
Read the following letter from the Collector of Malabar, Manjeri, 31st January 1868, No. 27; to the Secretary to the Board of Revenue.

1. Adverting to the Board's Proceedings, dated 28th December last, No. 8260, I have the honor to forward a plan of the present Garrison Hospital at Cannanore, with a rough estimate of the cost of alterations necessary to adapt it for a Talook Cutcherry.

2. The situation is very good, and it will be seen that the arrangement of the building is by no means ill-adapted for the proposed purpose.

3. The Sub-Collector reports that Brigadier General Babington and Dr. Pickering, Garrison Surgeon, are both in favor of handing over this building to the Revenue Department, and transferring the Patients to the present Artillery Hospital, as soon as the latter is vacated by the Artillery. The present Artillery Hospital would not answer for a Cutcherry.

4. The occupation, therefore, of the Garrison Hospital as the Cherikal Talook Cutcherry certainly seems the best arrangement that can be made, until a new Cutcherry, on a thoroughly approved plan, can be provided, and I consequently beg sanction for its adoption.

5. The present and proposed allotment of the space available is shewn in the plan enclosed.

6. The Range Officer, Mr. Logan informs me, was not in Cannanore, and the estimate for alterations is a rough one; but if the arrangements are approved, a revised one will be called for, which is not expected to exceed the one now submitted.

ENCLOSURES Nos. 1 and 2.—Plan and Estimate.

1. Submitted to Government, in continuation of the Board's Proceedings, dated 28th December 1867, No. 8260.

2. The Collector's proposals have the Board's approval.

With reference to the Proceedings* of the Board of Revenue, No. 1867, dated
14th March 1868, referred to the Com-
mander-in-Chief by your docket dated
27th idem, I have the honor, by order,

* Herewith returned with enclosures.

to state that His Excellency has no objection to the present Garrison Hospital at
Cannanore being used as the Cherikal Talook Cutcherry, when the accommodation
which is being provided for the Artillery at that station has been completed, and
the present Artillery Hospital can be made available for the garrison sick.
