*Proceedings of the Madras Government, Revenue Department,
29th April 1868.*

No. 672. Read the following Proceedings of the Board of Revenue, dated 24th April 1868.

Read the following letter from the Collector of Salem, to the Secretary to the Board of Revenue, dated Salem, 17th April 1868, No. 97 :—

In continuation of my letter of the 16th March last, No. 69, I have the honor to enclose a list of relief works proposed for the Kistnagherry talook. I have desired the Sub-Collector to put in hand such of the works as may be necessary to give labor to those who are in want of it. The works have been carefully selected by the Sub-Collector. Wherever practicable, the inhabitants will be required to contribute, either in money or labor, a portion of the allotments made for deepening and sinking wells for drinking purposes, so that to a certain extent the circular of the Board may not be lost sight of.

Budget of Special Works proposed for execution in the Kistnagherry talook, in the Sub-Division of the Salem district.

Name of work.	Estimate.	Year's allotment.	Unexpended balance.	Special allotment already made.	Proposed additional allotment.	Total of columns 4, 5 and 6.
