*Proceedings of the Madras Government, Public Works Department.*  
5th May 1868.

No. 101. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 25th April 1868, No. 214 :—

On the 7th instant I forwarded to Government a statement showing new works and repairs which have been recommended for execution during the current year. The statement contains two repair works, the amount of each is now corrected, as noted below, in lieu of previous sums which do not apparently include the cost of Petty Establishment, as they ought to have been, agreeably to recent orders of Government :—

|                                                                                                   |       |                                      | Amount<br>required. |        | Repairs.          | Petty<br>Establish-<br>ment. | Amount<br>required. |
