*Proceedings of the Madras Government, Revenue Department,
20th January 1868.*

The Acting Collector is requested to explain why it is proposed to purchase land to make the exchange in question, when it is usual to grant waste or unoccupied land in such cases.

No. 297. Proceedings of the Board of Revenue, dated 18th December 1867, No. 8,149.

Read again Statement from the Acting Collector of Trichinopoly, dated 3rd September 1867, No. 241.

Read also the following letter from the same Officer, dated 11th November 1867, No. 327.

Adverting to the Board's Proceedings, No. 6,554, dated 11th ultimo, I have the honor to state that there is no waste or unoccupied land available which would be accepted by the party concerned in exchange for that taken up for Railway purposes. I beg to refer the Board to the correspondence noted in the margin.

22nd August 1867.

I was under the impression that this question had at last been definitely settled.

1. Submitted to Government, with the Board's recommendation that the Collector be authorized to purchase the 3.12 acres of Punjab land, shewn in Column 9 of his statement, at 50 Rupees per acre, and to give it in exchange for the 3.58 acres estimated at the same price, and which was taken for Railway purposes.

2. In his second communication above recorded, the Collector explains that the proposed purchase is necessary, as no suitable waste or unoccupied land is available for the exchange. The correspondence, alluded to at the conclusion of his letter, refers to a totally different case, in which also, however, land had to be purchased; but the Acting Collector should have explained, in the column of Remarks, in his present statement, that this was a similar case, in so far that no waste land was available to offer to the Inamdar, and have thus obviated a further reference to him.

No. 298. ORDER THEREON, 20th January 1868, No. 150.
