Collector of South Arcot

Sir

With reference to your letter No 14
dated 1st Instant in which you fear that
you will be unable to forward my application
for leave, I beg that you will be good
enough to ask whether arrangements can be
made by Government to send another
Assistant here or that you will at all events
bring my application to the notice of Go-
vernment so that should the necessary
rules be introduced I may not be deprived
of the leave now due to me.

2 I am quite aware how im-
possible it would be for me to leave at present
owing to Mr. Rice's accident but I should
be greatly obliged should any other
arrangements be entered into. I may
mention that there are Assistants
available

enclosed in both Calcutta and Madras -

Agent Collector of South Arcot

Sir,

I am with much unwillingness that I feel it incumbent on me not to present to forward your application for privilege leave.

2. As you are aware, Mr Rice, my only other Assistant, has just met with a serious accident, and until I am informed certainly of whether he is likely to return to his duty or whether he will be compelled to go away, I could not recommend that your leave be granted.

3. But for this unfortunate occurrence I would gladly at once have been on your application with my support.

Very sincerely

To

A. Macgregor Esq.

Secretary Board of Revenue
Madras

Sir,

Mr. Gribble applied through me
for 3 months privilege leave, which I declined
to forward as my only other Assistant, Mr. Phe,
had just met with a serious accident the con-
sequences and results of which are yet unknown,
but Mr. Gribble has written me a 2^d letter copy
of which I now enclose and presses for his leave,
and he states that other Assistants are avail-
able. Except on public grounds, and because I
do not wish to be left without an Assistant,
I would gladly have supported Mr. Gribble's
application which I now leave the Board to
deal with as they may think proper.
