*Proceedings of the Madras Government, Public Works Department,
18th June 1868.*

No 407. Read the following Despatch from the Right Honorable the Secretary of State for India, (Railway,) to His Excellency the Right Honorable the Governor in Council, Fort St. George, dated India Office, London, 14th May 1868, No. 8:—

1. Having, as suggested by your Despatch of the 18th February last, No. 2, caused the Directors of the Great Southern of India Railway Company to be reminded of the necessity for your being furnished with copies of all letters addressed by them to their Agent at Negapatam, I have received a letter from the Board in reply, in which they state themselves to be "at a loss to understand" "what has given rise to the impression entertained by the Madras Government," as all official letters to their Agent are, previously to being despatched, forwarded to the Secretary of State for his sanction.

2. I have ascertained, on enquiry, that duplicates of the letters referred to, have invariably been transmitted by this office to your Government.
