*Proceedings of the Madras Government, Revenue Department,
23rd January 1868.*

No. 397. Read the following Proceedings of the Board of Revenue, dated 11th January 1868, No. 195.

Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated 11th December 1867, No. 347 :—

1. At the request of the Superintending Engineer, 7th Division, I have the honor to forward, for sanction, two estimates for putting the road from Aravacoorchy by Pullaputty to the Madura frontier into thorough repair, and for bridging it, amounting respectively to Rupees 7,000 and 6,500.

2. These estimates were received after the despatch to the Board of my Local Fund Budget for 1868-69, and consequently no provision was made in it for them. Colonel Walker, however, remarks that "it may be as well to have them submitted for sanction at once, even though you may be unable to make even partial provision of funds for them next year." When funds are found available for these works, I will send a Supplemental Budget. Meantime, I request that the estimates may now be sanctioned.
