Proceedings of the Madras Government, Public Works Department, 25th June 1868.

No. 609. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Coimbatore, 18th June 1868, No. 70 :—

1. I have the honor to explain, with reference to G. O., No. 1,722, of 1st June, that the estimate in question was prepared by the Coimbatore Range Officer from a standard plan supplied him by the Superintendent of Police. The single plan supplied to my office, with G. O , No. 1,868, of 22nd June, appears only to have been furnished to the Cannanore Range Officer, to whose work that order applied; and when the Government Order for constructing Warders' huts at Coimbatore Jail was endorsed to the Executive Officer of that Range for preparation of estimate on the standard plan, it was forgotten that copies of such plans had not been furnished to every Range. Had application for the standard plan been made to me all would have been right, but the plan obtained from the Police Superintendent contained no provision for cook-rooms, and I have remarked the same omission in a similar plan purporting to be standard, sent me by the Superintendent of Police in North Malabar.

2. At the time the plan and estimate under review were forwarded by me to Government, my Draughtsman was absent on leave, and I was using my own eyes in office work as little as possible. Hence the discrepancies escaped detection; they can now be remedied, if the papers are returned for revision.

3. The standard plan, with G. O., No. 3,233, of 18th October, refers to European and East Indian Head Constables only, of whom there are none to be provided with accommodation at Coimbatore. It may be as well to supply printed copies of all these standard plans to each Range.

No. 610. ORDER THEREON, 25th June 1868, No. 2,023.

CIVIL WORKS, No. 85.

1. Under the circumstances explained by the Superintending Engineer of the 7th Division, the plan and estimate received with his letter of the 20th May 1868, No. 46, will be returned to him to be revised in accordance with the standard design of Police huts circulated with G. O. No. 1,868 of the 22nd June 1867.

2. The plan of huts for Native Head Warders at the Coimbatore Jail should be prepared in communication with the Inspector General of Jails.
