*Proceedings of the Madras Government, Public Works Department,
22nd January 1868.*

No. 450. Read the following Endorsement of the Consulting Engineer for Irrigation and Canal Company, dated Madras, 7th January 1868, No. 125:—
Read the following letter from the Agent and Manager of the Madras Irrigation and Canal Company, to the Consulting Engineer for Irrigation and Canal Company, dated Madras, 3rd January 1868, No. 406.

1. I have the honor to enclose copies of two letters, dated respectively 18th December 1867 and 2nd January 1868, from G. Narasimooloo Chetty & Co., the proprietors of the premises occupied by this Company as offices, demanding an increase of rental of Rupees 50 for the premises.

2. I was disinclined to comply with the demand, and contested the point; but in their second letter Narasimooloo Chetty & Co. assign reasons in justification of the measure, and seem disinclined to recede from the position they have taken.

3. It would appear, therefore, that we have no chance but to accept the terms offered, and I request you will be good enough to obtain the necessary sanction for the disbursement of the increased rental, viz., Rupees 250.

From G. NARASIMOOLOO CHETTY, to the Agent and Manager of the Madras Irrigation and Canal Company, (Limited,) dated Madras, 18th December 1867.

With reference to your letter of the 10th instant, expressing a desire to retain the premises now occupied by your Office, I write to inform you that I shall be glad of a renewal of the lease if you will kindly allow me an increase of Rupees 50 to the present rent, and trust the condition may be agreed to.

From G. NARASIMOOLOO CHETTY, to the Agent and Manager of the Madras Irrigation and Canal Company, (Limited,) dated Madras, 2nd January 1868.

With reference to your letter of the 18th December last, in reply to mine of the same date, I beg to state that although, as you observe, house assessment remains at present as before, yet its augmentation next year is inevitable. It was upon this circumstance, coupled with the increased value of land, as well as the fact of my having received a higher offer for the tenancy of the premises occupied by the Irrigation and Canal Company's Office, that my application to you for a larger rent was based, and under the explanation now afforded, I trust it may be complied with.

1. Submitted for the consideration of Government with a recommendation that the increased rent, Rupees 250, for the premises occupied as the Agent's Office, &c., be sanctioned.

2. The present rental, Rupees 200, was sanctioned in Proceedings of the Madras Government No. 3,563, of the 13th December 1864.
