1. I am informed that farther grants as noted could be most advantageously expended on District Roads Nos. 30 and 31, during the current official year.

2. Particulars of expenditure already incurred, and of the additional allotments now required for these lines, are shewn in the margin.

3. I am informed that the Public Works Department have labour available, and can superintend the vigorous prosecution of the works, and I request early sanction for the additional allotments from the items* noted, as it is very desirable that the roads, now well-advanced, should be pushed on so as to be opened to traffic. The allotments will be deducted from the provision made in the Budget for 1863-69 for these roads, and allotted to some other works as may be found necessary.

4. The works are being executed by the Public Works Department.

1. Submitted to Government, with a request that the additional sum of Rupees 4,902, applied for by the Collector, for expenditure during the current year on the undermentioned works, may be sanctioned at an early date, from the unallotted surplus balance, shewn in the concluding part of paragraph 17 of the Board's Proceedings, dated 20th September 1867, No. 6,042; this surplus now amounts to Rupees 6,353,† after deducting the Rupees 18,910 sanctioned in Government Order, Revenue Department, dated 13th November 1867, No. 2,677.
