No. 530. Proceedings of the Board of Revenue, dated 15th January 1868,
No. 332.

From the Superintending Engineer, 3rd Division, to the Secretary to Government,
Public Works Department, dated Camp at Budwail, Budwail Talook,
Cuddapah District, 8th November 1867, No. 2,124.

1. With reference to the Supplemental Local Fund Budget of 1867-68, for the
Cuddapah District, communicated with Government Order No. 2,526, dated 28th
ultimo, I have the honor to point out that the Board of Revenue have disallowed the
items for Petty Establishment for the Repair Works in Part II., amounting to
Rupees 612, and until this is passed the works cannot be commenced.

2. In submitting to the Collector the proposed Supplemental Budget for
1867-68, I deducted for Petty Establishment in the same manner as is done from
the annual maintenance grants for works in the Imperial Budget; and, as Govern-
ment have approved this system, I considered it the right one to adopt. I shall,
however, be happy to prepare it in another form, if such is furnished to me.

Proceedings of the Madras Government, Revenue Department,
30th January 1868.

1. The Board see no reason why the Superintending Engineer should not execute the repair works alluded to by him, if the sum of Rupees 612, required on account of Petty Establishment, is to be proportionately charged to those works, as is done by the Officers of the Revenue Department.
2. The Board intend addressing Government shortly on the subject of Petty Establishment to be employed on the District Road Fund Works intrusted to the Public Works Department for execution.

Sir,
With reference to G. O. N^o 2735 of 5th ultimo, I have the honor to refer you to my diary for the past month in which I have mentioned the state of each mile; and though I cannot deny that, in former years, some money must have been wasted by using bad material for the masonry works, and not allowing sufficient waterway, regarding which points I have already made mention in my letter N^o 209 of 15th February 1866 and N^o 2837 of 28th December 1866, I would point out the number of masonry works that have been built.

As there seems little probability of obtaining from Imperial Fund the sum of Rs. 44,029 sanctioned in G. O. N^o 141 of 15th January 1867 for the portion between Sylloor and Chazalmurry and a portion of which amount it was stated Government would be prepared to allot from the Reserve of 1867/68 but have not been able to give, I beg to suggest that Rupees 20,000 be given from Local Funds in Purnool and that this sum be deducted from the allotments in the supplemental Local Fund Budget for 1867/68, sanctioned in G. O. N^o 1872 dated 12th August 1867 in the Revenue Deptⁿ, for the roads noted in the margin, as the Surveyors

and Estimates for these roads have not yet been prepared and the allotments are not likely otherwise to be expended during the current year.

3.— As regards the portions of the Purnea and Luddapah Road in the Luddapah District, south of Chagalpur, I would beg that, if possible, the balance of the Estimates may be allotted for expenditure during the current year, so that the work may be completed.

I have the honor &c
