*Proceedings of the Madras Government, Revenue Department,
31st January 1868.*

No. 558. Read the following letter from the Officiating Government Pleader, to the Secretary to Government, Revenue Department, Fort St. George, dated Madras, 22nd January 1868, No. 11:—

1. I have the honor to request, if there is no objection to such a course, that the Deputy Collector of Madras may be authorized to supply me, for the use of my Office, with such Postage labels as I may from time to time indent upon him for.

2. All stamped papers required for the use of my Office, in cases of appeals pending before the Appellate High Court, in which Government may be parties or interested, have been supplied by the Deputy Collector of Madras, upon application from this Office; and it appears that the order, under which they have been so supplied, does not extend to, or warrant the supply of, Postage Stamps.

3. It is a part of the duties of my Office to communicate with Collectors in the Mofussil; and I have no account with Government in which I can debit my disbursements for postages on such communications.

4. If Government prefer such a course, I would suggest that the Postmaster be authorized to despatch letters signed on the cover by me, under my official designation, free of postage, in lieu of the authority applied for in paragraph 1 of this letter.

No. 559. ORDER THEREON, 31st January 1868, No. 271.

Miscellaneous.

1. The Government Pleader is at liberty to forward letters from his Office to Mofussil Authorities, written on the public service, to the Chief or Revenue Secretary to Government to be franked prior to despatch.

2. Such letters will be endorsed on "On Her Majesty's Service only," under the full signature and official designation of the Government Pleader, in the manner formerly adopted by Mr. Dale.

Secretary to Government.
