27th January 1868.

No. 543. Read the following Endorsement of the Consulting Engineer for Irrigation and Canal Company, dated Madras, 16th January 1868, No. 130 :—
Read the following letter from the Agent and Manager, Madras Irrigation and Canal Company, to the Consulting Engineer, Irrigation and Canal Company, dated Madras, 10th January 1868, No. 420.

1. The stock taking of the Madras Stores having been brought to a conclusion, I have the honor to request sanction for the disbursement of Rupees 160 as payment for the extra work of the Clerks and Lascars engaged in the operation.

2. The account was taken between the hours of six and ten in the morning, and the bulk of the preliminary work of arrangement and examination was done during the Xmas. holidays, and I think it is but justice that the individuals who thus gave up their own time for the service of the Company, should receive extra remuneration.

—

Submitted for the orders of Government, with a recommendation that the extra remuneration, Rupees 160, for the Clerks and Lascars, engaged out of office hours in connection with the recent examination of the Company's Stores at Madras, be sanctioned as proposed by the Agent.
