*Proceedings of the Madras Government, Public Works Department,
28th January 1868.*

Read the following papers :—

No. 551. From the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 23rd December 1867, No. 2,604.

1. I have the honor to forward, for the sanction of Government, the accompanying plan, specification, and estimate, amounting to Rupees (670) six hundred and seventy, for making certain alterations and additions to the present Police station house at Ghooty, so as to adapt it for a Subsidiary Jail. The plan was prepared in communication with the Magistrate and Superintendent of Police, Bellary, and includes all that is desirable to make the place fit for the purpose for which it is intended to be used.

2. The balance under head "Minor New Works," Civil Buildings, available, is not sufficient to meet the estimate amount, and I would therefore suggest, as in G. O., No. 1,689, dated 5th June last, when funds were not available for such works, that an allotment be made later in the year for the work in question.

Referred to the Judicial Department.
