*Proceedings of the Madras Government, Public Works Department,
23rd January 1863.*

No. 558. Read the following letter from the Acting Civil Judge of Chittoor, to the Secretary to Government, Public Works Department, dated Chittoor, 15th January 1863, No. 3:—

1. The District Moonsiff of Palmanair has drawn my attention to Proceedings of Madras Government of 8th February 1866, concerning an estimate* for the enlargement of his Court.
* Rupees 1,730.

2. The insufficiency and insecurity of his present Court building has been a subject of complaint since 1864. The Superintending Engineer of the 4th Division, on whose letter,† marginally noted, the abovementioned Proceedings were passed, has himself testified to the utter inadequacy of the accommodation, I need not, therefore, say more upon the necessity of the case.

3. Plan and estimate have been sanctioned, and Colonel Boileau was to have applied for a grant after the 1st May 1866. That application has not up to date resulted in the least performance of any kind of work on the part of the Public Works Department of this district.
