Calicut 19: October 1868

No. 804

The findlay and privilege leave
applicant for by Mr Ballard will
be granted.

He will not once be granted for the
privilege leave

From,

To
27th Oct 1868

G. A. Ballard Esquire
Collector of Malabar

A. Macgregor Esquire
Ag. Secretary to the Board of
Revenue.

I have the honor to submit my
application for a month's privilege leave from
or about the 20: January next.

I have also the honor to apply for
two years furlough under section 7 of the Civil
Service Leave rules dated 16: June 1868.

I propose availing myself of this
latter leave if granted in March next.

I may add that I shall probably
be in my district for the greater part of the
privilege leave now applied for, but I wish to
have the time free from the constant inter-
ruption of current calls, to attend to several
matters that I should be glad to have settled
or put in fair order for settlement before going
on the longer leave.

I have the honor to be,
Your most Obedt. Servant,

G. A. Ballard
Collector.
