PROCEEDINGS OF THE BOARD OF REVENUE, dated 27th February 1868.

1. Government having in their Proceedings, dated 20th December 1867, No. 3,033, reduced the allotment for "Petty Construction and Repair," for 1868-69, to 2½ lacs of Rupees inclusive of the cost of Neeranikum Establishment maintained in certain districts, amounting to Rupees 3,000, and the cost of twenty-one permanent watching stations for the use of the Customs and Frontier Establishments in the Godavery district, sanctioned in the Proceedings of Government, dated 7th December 1867, No. 2,929, and desired the submission of a revised list showing the distribution of the amount among the several works, the Board request that the Collectors of the Maritime districts will, soon after the close of the current official year, obtain from their Salt Deputy Collectors Statements of the actual expenditure incurred during the year on the several works, and forward to the Board a fresh list of works for 1868-69.

2. In the revised list to be now submitted works commenced in the current or previous years, and remaining still unfinished, should have the precedence, and then the works which are of an urgent nature, and the completion of which within the next official year is most desirable, should follow in the order of their necessity.

3. The sums noted in the margin are the allotments which the Board consider proper to assign for the several
