*Proceedings of the Madras Government, Revenue Department,
23rd January 1868.*

No. 405. Read the following Proceedings of the Board of Revenue, dated 17th January 1868, No. 375.

Read the following letter from the Acting Collector of the Kistna District, to the Secretary to the Board of Revenue, dated Masulipatam, 28th October 1867, No. 382:—

In reply to Board's Proceedings, No. 6,194, dated 26th ultimo, I have the honor to inform you that the estimate of Rupees 8,870, (Item No. 2, Supplemental Budget of 1867-68,) is for the construction of a bridge on the Sallapilly road at Shivagunga, and that the estimate of Rupees 12,350 is a new one for the construction of the road itself. The Superintending Engineer in giving this information in

his letter, No. 159, dated 21st current, herewith* forwarded, again requests that the sum of Rupees 5,000, allotted for the Guntoor and Suttanapally road, on which it will be impossible from want of labor to expend it, be transferred to this Masulipatam and Sallapilly road, and knowing well the difficulties that it presents to travellers and traffic, I have no hesitation in advising that the transfer requested be acceded to.

From the Superintending Engineer, 2nd Division, to the Acting Collector of the Kistna District, dated Masulipatam, 21st October 1867, No. 159.

With reference to Revenue Board's Proceedings, No. 6,194, dated 26th September 1867, recorded in Government Order, No. 2,390, dated 10th October 1867, Revenue Department, I have the honor to inform you that the estimate of Rupees 8,870, (Item No. 2 of Supplemental Budget of 1867-68,) is for a bridge on the Sallapilly road at Shivagunga, by which a large drainage will be passed. That for Rupees 12,350 is for the formation of the road itself. I have, therefore, the honor to apply again for Rupees 5,000, in reduction of the grant for the Guntoor and Suttanapally road, (on which sufficient labor cannot be procured,) for the work under reference. The Range Officer expects that the whole Rupees 8,870, for the bridge alluded to, will be spent in the current year.

1. From the foregoing letter, the Board learn that Item No. 2 in the Supplemental District Road Fund Budget of the current official year, at an estimated cost of Rupees 8,870, is for the construction of a bridge only on the Sallapilly road at Shivagunga, and that the estimate, amounting to Rupees 12,350, sanctioned in Government Order, Revenue Department, dated 10th October 1867, No. 2,390, is for the formation of the road itself. In the absence of this information, when recording their former Proceedings, and as the description of the work did not differ from that given in the Budget, the Board naturally concluded that the latter estimate was intended for the same item as that entered in the Budget. The mistake will now be rectified in the Registers kept in the Board's Office.

2. In compliance with the recommendation of the Superintending Engineer, supported by the Acting Collector, the Board sanction the transfer of Rupees 5,000 out of the sum allotted for the Guntoor and Suttanapally road, which appears in the current year's Original and Supplemental District Road Fund Budget as Items Nos. 9 and 1, for expenditure on the work in question.
