

Mr. Charles B. Phillips presents
his compliments and begs to
forward to the Secretary to Government
several copies of the list of plants
and seeds of Forest trees which
is referred to in a dispatch to the Government
which cannot be signed in time for
the mail of 5 nights, but which
will be sent next week.

Mr. Jameson, the gardener going
to the Chinchona plantations
in the Nariño, has the plants
in charge & is to leave
Southampton tomorrow.

2nd These trees are
in compliance with the
request of the Government
of Madras conveyed in their
dispatch No 1 of 12 May last.

2nd Hooker regards the collection
as one of great value and has
informed Mr. Phillimore that
the seeds of the European oaks
are not yet ready.
