*Proceedings of the Madras Government, Revenue Department,
4th February 1868.*

No. 85. Read the following letter from the Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, Fort St. George, dated Chepauk, 23rd January 1868, No. 101/6:—

No. 444, of the 18th December 1867.

1. I have the honor to submit a letter from Mr. Gompertz, First Assistant Superintendent, lately transferred from the Kurnool District to the charge of Demarcation and Survey in the Government talooks of Ganjam, applying for sanction to the cost for conveying horses by rail and steamer, as a special case.

				RS.	A.	P.	
By rail	...	...	...	15	3	0	
By sea	...	...	...	50	0	0	
			Total	65	3	0	

2. I would venture to recommend that the cost for conveying one horse by rail and steamer be passed as would be allowed to an Officer of his rank in the Bengal Survey Department, because Mr. Gompertz was transferred to Ganjam on public grounds.

3. I take this opportunity of soliciting sanction to the grant of travelling allowance (*i. e.*, mileage at eight Annas per mile), to Mr. Gompertz when he is required to visit Berhampore, where the demarcation, of which he has the superintendence, is being performed under the immediate orders of Mr. Dunsford, Second Assistant Superintendent. The distance to Berhampore from Chicacole, where the Head-quarters and Survey Office are fixed, is 101 miles; and this wide separation of the Survey and Demarcation is caused by the whole intervening tract being Zemindary land. His visits will, at no time, be more frequent than twice during a month.

4. A grant of mileage under similar circumstances was made in Government Order, dated 21st June 1867, No. 1,381.

No. 86. ORDER THEREON, 4th February 1868, No. 319.

Miscellaneous.

The charge of Rupees 65-3-0 is sanctioned as recommended by the Superintendent, and Mr. Gompertz is also permitted to draw mileage when proceeding beyond the limits in which Survey operations are going on in his district, in order to supervise and direct demarcation.
