*Proceedings of the Madras Government, Ecclesiastical Department,
20th December 1867.*

No. 36 Read the following letter from the Venerable the Archdeacon of Madras, to the Chief Secretary to Government, Fort Saint George, dated Madras, 6th December 1867, No. 383.

Mr Glasson, a leading member of the Planting Community of the Wynaad, has presented a plat of ground at Vythery to the Lord Bishop and Archdeacon, to be held in trust for the site of a Cemetery and Church.

2. Vythery is one of the centres of that scattered district, and I am informed that the ground is conveniently and eligibly situated in reference to the residences of the planters, and is in all respects suitable for the purposes for which it is given.

3. I enclose a plan of the ground which consists of 2a. 1r. 25ps, and is bounded on all sides by public roads.

4. At the instance of Mr. Glasson, I have the honor to solicit that the Government will be good enough to sanction a neat wall being built (with two gates) round the piece of ground.

5. I need scarcely point out the necessity of a Cemetery for the growing population of the Wynaad, and I trust that the construction of a wall may be sanctioned.

6. I venture to take this opportunity of expressing my earnest hope that the grant of this piece of land may ere long lead to a Church being built, and a Clergyman being procured to minister to the numerous Planters of the Wynaad, who are now entirely destitute of spiritual ministrations.

No. 37. ORDER THEREON, 20th December 1867, No. 304.

The Government will be prepared to sanction an estimate for enclosing with a wall such portion of the area at Vythery given by Mr Glasson as may be required for a Cemetery.

2. Until a church is built at Vythery, the enclosure of the whole of the ground, as proposed, would entail an unnecessary expense.
