No. 624. Read the following Proceedings of the Board of Revenue, dated 7th
October 1868, No. 7,142 :—

Read the following letter from the Acting Collector of the Godavery District, to
the Acting Secretary to the Board of Revenue, dated Cocanada, 24th June
1868, No. 156.

1. I have the honor to submit my Report on the Public Works executed in
this district during 1867-68, with an abstract statement showing the expenditure
under each head of the works, compared with that of the previous year.

2. The expenditure during the year under the two general heads of New
Works and Repairs, amounts to Rupees 3,86,851, which is above that of 1866-67
by Rupees 47,217.

3. As the Progress Reports in the new form received from the Range Officers
do not contain sufficient detail, it became quite impossible to prepare such a
detailed return as that which accompanied last year's report. I am not, therefore,
in a position to make any observations on the progress or requirements of the dist-
rict in the matter of public works.

4. Progress Reports in the old form are now being sent again by Range
Officers in accordance with the Order of Government, Public Works Department,
No. 1,471, dated 9th May 1868, communicated with the Board's Proceedings, dated
6th instant, No. 4,192.
