MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Quarter Master General..... Here enter 18th September 1868, No. ⁶⁶⁶/₆₇₂₃.
Report from the Contr. of Mily. Accts.... „ 12th October „ E.

From the Quarter Master General, Head Quarters, Ootacamund, 18th September 1868, No. ⁶⁶⁶/₆₇₂₃; to the Secretary to Government, Military Department, Fort Saint George.

I have the honor, by order of His Excellency the Commander-in-Chief, to request the sanction of Government to the disbursement of Rupees 30 per month from 1st June 1868, on account of a house which has been rented at Waltair, for the joint occupation of the Serjeant Major and Quarter Master Serjeant of the 2nd Regiment Native Infantry: the Serjeants forfeiting their allowance of house-rent.

2. There are no public quarters available for the Serjeants, and the Officer Commanding the Northern District reports that those lately hired by the Staff Serjeants of the 31st Regiment Native Infantry were at some distance from the Lines, and that one of these was condemned by the Medical authorities on sanitary grounds.

3. Letter* No. 164, dated 8th September 1868, is forwarded for reference, if required.

*From Officer Commanding Northern District. From the Officer Commanding Northern District, Head Quarters, Waltair, 8th September 1868, No. 164; to the Quarter Master General, Ootacamund.

With reference to your letter of the 28th ultimo, No. and subject as per margin, I have the

No. 437.

Informing that Surgeon Morton's letter does not furnish sufficient reason for condemning the public quarters occupied by the European Serjeants of the Native Infantry Regiment at Waltair, with remarks, &c.

honor to submit the following information on the subject of the quarters of the European Serjeants of the 2nd Regiment Native Infantry, in the absence of which my letter No. 89 of the 1st June 1868, appears to have been misunderstood.

2. Public quarters have never been available for European Staff Serjeants at Waltair or Vizagapatam, and at the date of Surgeon Morton's report (14th March 1867) alluded to in your letter under reference, the two Serjeants of the 31st Light Infantry, were living in hired houses in lower Waltair. On these being condemned, the Serjeant Major was permitted, with the sanction of General Faunce, to hire a house in the Fort, and the Quarter Master Serjeant's house not being so decidedly condemned as the other, it is presumed that the subject was for the time allowed to drop.

3. Subsequent to the above, the Serjeant Major finding the great inconvenience of living so far from his work, induced the Apothecary of the Regiment to allow him to share his quarters on the parade ground.

4. About a week before the embarkation of the Regiment in March last for Berhampore, the Quarter Master Serjeant, intending to leave his family behind him, gave up his house in lower Waltair and took quarters in the Fort, thus both the houses reported on by Doctor Morton were vacated before the 2nd Regiment Native Infantry arrived, and are now occupied, one by a Native and the other by an East Indian.

5. On the arrival of the 2nd Native Infantry, there being no suitable quarters available for the Serjeants of the Regiment, they first took possession of the Apothecary's, and on those being required, I adopted the course mentioned in my former letter, and have again respectfully to solicit the interference of His Excellency the Commander-in-Chief with Government, in view to the excess of the authorized allowance for Non-Commissioned staff, viz., 16 Rupees monthly being sanctioned.
