*Proceedings of the Madras Government, Public Works Department,
2nd November 1868.*

No. 3. Read the following letter from the Acting Inspector General of Police, to the Secretary to Government, Public Works Department, dated Madras, 26th October 1868, No. 5,728/1,923 :—

1. I have the honor to request the sanction of Government for the purchase of the building which was formerly the travellers' bungalow at Wandiwash, North Arcot District, for use as a Police Station.

2. The Superintendent of Police reports that the accommodation at present afforded to the Police in the Wandiwash Cutcherry is quite insufficient, being only a small portion of the inner verandah, and that a separate station house is much required. The bungalow above referred to is in excellent order, and worth much more than the sum asked for it. It is in every way well suited for a Police Station.

3. Funds are available from the grant provided in the Department Public Works Budget for 1868-69.

4. The necessary alterations to the building, provision of lock-ups, &c., will cost about Rupees 100, for which an estimate will be submitted if the purchase be sanctioned.

No. 4. ORDER THEREON, 2nd November 1868, No. 3,430.

CIVIL WORKS, No. 1.

The Inspector General of Police will be requested to state the probable amount which will be required for the purchase of the building referred to in this letter, and the particular source from which the charge can be met.
