*Proceedings of the Madras Government, Public Works Department,
3rd November 1868.*

No. 28. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 23rd October 1868, No. 2,652 :—

1. With reference to G. O., No. 3,309, of the 19th instant, I have the honor to inform you that the sums entered in my letter No. 2,349, of 28th ultimo, refer to the road from Kurnool to the Nundy Canamah ghaut, Gazoolapully being the village near the foot of the ghaut on the west side. The statement in the margin of my letter No. 2,349, of 28th ultimo, had reference to paragraph 2, and merely showed the existing grant; but as this seems to have been misunderstood, I beg to submit a complete statement, showing the present and proposed grants, and, if sanctioned, beg that the alterations may be made in the Government Office, my Budget for 1869-70 having been already submitted.

2. By an oversight I omitted to draw attention to the second entry in Mr. Supervisor Howell's specification, viz., road from Nundial to Chagulmurry (a portion of the road from Kurnool to Cuddapah turning off at Iyaloor from the road from Kurnool to the Nundy Canamah ghaut), and which was mentioned in paragraph 14 of my letter, No. 1,632* of 10th September

* *Vide* G. O No 1,604, dated 20th May 1868. 1867. For this road an estimate of Rupees 44,100 was sanctioned in G. O. No. 2,898, dated 7th October 1864, but no funds have been allotted. The present grant is found quite insufficient to keep the road in passable order, and so an increased grant is requested.
