*Proceedings of the Madras Government, Public Works Department,
4th November 1868.*

No. 37. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 20th October 1868, No. 3,557:—

One Letter.

1. In continuation of my letter, No. 3,107, dated 24th September 1868, I have the honor to enclose an original letter, with a recommendatory Endorsement, from Lieutenant Brockman, Assistant Engineer, Vellore Range, from which it will be observed that Acting Overseer* Ruthnavaloo Moodelly is desirous that the period of his probation may be extended another year, to enable him to qualify himself for passing the examination prescribed for Talook Overseer.

*Appointed in G. O., No. 3,285, dated 23rd October 1867

2. Considering that Ruthnavaloo Moodelly was actively engaged in the Vellore Range in the duties appertaining to an Overseer during the time of his probation, and that thus he was prevented from prosecuting his studies properly. I have no hesitation in adding my recommendation that his request may be granted.

From T. RUTHNAVALOO MOODELLY, Talook Overseer, to the Assistant Engineer, Vellore Range, North Arcot District, dated Vellore, 12th October 1868.

1. With reference to the Superintending Engineer's docket, No. 3,290, dated 3rd instant, relative to my exemption from passing the Talook Overseer's Test, I beg leave most respectfully to state that I have served in the Department Public Works for about eight years, from 1860, in the capacities of Apprentice, Sub-Overseer, District Surveyor, Draughtsman, and Talook Overseer, both in the North Arcot District and Mysore territory

2. If this and other reasons assigned in my application of the 29th ultimo, as well as the testimonials attached thereto, as also the valuable recommendation contained in your letter to the Superintending Engineer, No. 364, dated 30th September 1868, be not considered by that gentleman to be sufficient to exempt me from passing the required test, I beg you will be so good as to obtain an extension of the condition for another year, as I am sure I would be fully qualified to pass by that time

Forwarded to the Superintending Engineer with a recommendation that the request contained in the above may, if possible, be acceded to.

(Signed) R. R. E BROCKMAN, Lieutenant, R. E.,
Assistant Engineer, Vellore Range.
