*Proceedings of the Madras Government, Public Works Department,
7th November 1868.*

No. 95. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp at Conaganipully, Bellary District, 27th October 1868, No. 2,694:—

1. In their Order of the 21st November 1867, No. 3,603, Government permitted the employment, if necessary, of a Surveyor to assist in carrying into effect the recommendations made by the Sanitary Committee for improving the town of Kurnool, and as I was unable to find a competent person to assist Captain Hunter in preparing the surveys, &c., called for in G. O., No. 1,967, dated 20th June last, I left the selection in the hands of the Executive Engineer.

2. That Officer, in the absence of being able to obtain the services of any other qualified individual, begs to know if a Mr. Conran can be employed as a Surveyor and Draughtsman; I have, therefore, the honor to submit the question for the orders of Government as, on reference to the available records of 1862 in my office, I find that Mr. Conran was dismissed on the 13th (the date up to which he drew pay) March of that year from his appointment as Assistant Supervisor for falsifying his Inspection reports.

3. The whole record of the case is not traceable in my office, but as, from the G. O. noted in the margin, the papers referring to Mr. Conran's misbehaviour appear to be in your office, I beg to refer you to them.

4. Captain Hunter does not state the salary he proposes to give Mr. Conran, or the time he will require the services of a Surveyor and Draughtsman; I however think that Mr. Conran's services for three or four months might be secured for a salary not exceeding Rupees 150 per mensem.

No. 96. ORDER THEREON, 7th November 1868, No. 3,476.

ESTABLISHMENT, No. 10.

Under the circumstances brought to notice in this letter, the Government will not object to Mr. Conran's employment in the manner proposed on a salary not exceeding 150 Rupees per mensem.
