Nos. 119-120

Salt Works.—Proceedings Revenue Department sanctioning estimates, amounting to Rupees 2,262, for certain Salt Works in the Tanjore District, recorded.

Proceedings of the Madras Government, Revenue Department,
2nd November 1868.

No. 1. Read the following Proceedings of the Board of Revenue, dated 7th October 1868, No. 7,109 :—

Read the following letter from the Collector of Tanjore, to the Acting Secretary to the Board of Revenue, dated 29th August 1868, No. 178.

1. With reference to the revised list of works proposed for execution in 1868-69 under "Petty Construction and Repair," forwarded with my letter, dated

	As per list of estimates		Increase. Decrease.

to submit, herewith, for the sanction of Government, the accompanying plans and estimates for the new works numbered 1, 2, 5, and 7 in the above said list. The sums provided for each of the works in the list, and the amounts of the estimates, are shewn in the margin. It will be observed that the aggregate amount of these estimates exceeds the provision made in the list by Rupees 562 ; but this I propose to meet from the Rupees 500 provided for Contingencies, and from such savings as may be effected on other estimates.

2. I beg particularly to request that the sanction of Government to these estimates may be obtained at an early date.

ENCLOSURES Nos. 1 to 5.—Plans.

ENCLOSURES Nos. 6 to 11.—Estimates.

THE estimates for salt works received with the foregoing letter, as particularised in the margin, are submitted		for the sanction of Government, provision having been made for them under	
		" Petty Construction and Repairs" for	
		1868-69. It will, however, be found	
		that the amount of the estimates exceeds	
		the allotment in the Budget by Rupees	
		612, and it is proposed to meet this	
		excess from such savings as may be	
		effected on other estimates.	
1. Constructing a Tunnel for drainage opposite the gate of Vadupatti in Nedavassal...	231		
2. Do. a surplus sluice in the compound bank on the east side of the pan in do.	268		
3. Do. a foot-bridge over the spontaneous surplus channel to connect platforms Nos. 3 and 8 with salt pan at Vadaraniam	997		
4. Construction of a road from No. 1 to No. 5 platform including one Tunnel.	766		
Total ..	2,262		

2. The Board observe that the estimate for the third work, as entered by the Collector in his letter, is Rupees 947, whereas in the estimate it is Rupees 997; they have, however, adopted the latter figure as the correct amount of the estimate.
