*Proceedings of the Madras Government, Public Works Department,
11th November 1868.*

No. 162. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coimbatore, 20th October 1868, No. 138 :—

1. Of the two estimates alluded to in the accompanying letter from the Commissioner for the Neilgherries, I have disposed of that for repairs only. The cost of the alterations he advocates, and which are shown in the accompanying plan, can be met by the following appropriations and transfers, viz. :—

Minor New Works, Civil Buildings, Coimbatore District ...	Rs. 212
Do. do. do. Canara do. ...	958

Total Rs. 1,170

2. The primary alterations in fact consist in repeating those sanctioned in G. O., No. 1,408, of 9th May 1867, when the right wing of the building was made the Magistrate's Court, which it is now found necessary to transfer to the left wing. But the giving up of the old Talook Cutcherry for Subsidiary Jail purposes further necessitates a re-adaptation of the out-houses for subsidiary purposes connected with the Courts and Cutcherry. I agree with the Commissioner and Executive Engineer in considering these re-arrangements necessary.

From the Commissioner of the Neilgherries, to the Superintending Engineer, 7th Division, dated Ootacamund, 12th October 1868, No. 29.

1. I have the honor to forward two estimates for repairs and alterations to my office, furnished by the local Executive Engineer, and duly countersigned* by me.

* Signatures omitted.

(Signed) G. W. WALKER, Colonel, R. E.,
Supty. Engr., 7th Division.

2. It is of importance that these alterations should be carried out as soon as practicable, as my office and that of the Joint Magistrate are considerably inconvenienced under the present defective arrangements. I therefore request you will favor me by obtaining the sanction of Government for incurring the expenditure at an early date.

3. I desire to point out that although the expenditure may seem considerable, it should be borne in mind that it is necessitated by the removal of the Talook establishment to the Huzoor buildings, which arrangement leaves the Talook Cutcherry at the disposal of Government for use as a Subsidiary Jail and Talook Police Station.

4. The Superintendent of the Jail, Ootacamund, and the Assistant Superintendent of Police think the Talook Cutcherry will well serve the purposes above mentioned, and thus the necessity of new buildings for them is thereby avoided.

No. 163. ORDER THEREON, 11th November 1868, No. 3,510.
