Cook-houses—Proceedings Military Department, sanctioning the retention of two small cook-houses at Bangalore which were recently ordered to be pulled down, communicated to the Officer concerned.

MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Quarter Master General..... Here enter 19th September 1868, No. ⁶⁸⁷₆₇₁₈.

From the Secretary to Government, P. W. D. „ 17th October „

From the Quarter Master General, Head Quarters, Ootacamund, 19th September 1868, No. ⁶⁸⁷₆₇₁₈; to the Secretary to Government, Military Department, Fort Saint George.

With reference to Order of Government, No. 2995, dated 30th July 1868, I have the honor, by order of the Commander-in-Chief, to state that the Officer Commanding Mysore Division reports that the Executive Engineer at Bangalore has, by mistake, removed the two old Battery cook-houses of the Horse Artillery instead of the two small cook-houses alluded to in the Order of Government above referred to.

2. Under the foregoing circumstances, Major General Haines proposes to retain the two cook-houses ordered to be dismantled.

Referred to the Public Works Department.

24th September 1868.

Referred to the Superintending Engineer of the 5th Division, for such explanation as he may have to offer.

(Signed) C. A. ORR, Colonel, R. E.,

28th September 1868.

Secretary to Government, P. W. D.

To the Superintending Engineer, 5th Division.

From the Superintending Engineer, 5th Division, Salem, 14th October 1868, No. 124; to the Secretary to Government, Department Public Works.

With reference to your endorsement on a letter from the Quarter Master

General, No. ⁶⁸⁷₆₇₁₈, I have the honor to

Enclosure, one letter returned.

state that the mistake, in pulling down the cook-houses, was owing to carelessness on the part of Sub-Engineer Hudson. He received orders to remove two cook-houses, and as there were four, all out of use and close to each other, he should have been careful to ascertain which two were intended to be removed.

2. This is not the only instance in which Mr. Hudson has neglected his duty, not long ago, he allowed the workmen to cut into one of the walls of a Racket Court, in such a way that a large portion of it fell, happily without injury to any person. Both the present Executive Engineer and his predecessor, have complained to me of Mr. Hudson's inefficient superintendence, and I beg to recommend his transfer to some other station, where there are not so many important works in progress.

Transferred to the Military Department, with reference to the docket in that Department of the 24th September 1868.

(Signed) C. A. ORR, Colonel, R. E.,

17th October 1868.
