*Proceedings of the Madras Government, Public Works Department,
13th November 1868.*

No. 208. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coimbatore, 22nd October 1868, No. 140:—

At the suggestion of the Controller, I have the honor to request, with reference to G. O., No. 2,458, of 23rd August 1865, paragraph 11, that Overseers in charge of Ranges may be allowed to draw the actual charges for carriage of the Range records, as their travelling allowance is insufficient to meet such charges in addition to those of carrying about the records of the talook of which they are also in charge.

No. 209. ORDER THEREON, 13th November 1868, No. 3,533.

ESTABLISHMENT, No. 19.

Looking to the comparatively low rate of travelling allowance drawn by Talook Overseers, the Governor in Council is pleased to authorise the Controller of Public Works Accounts to pass to Overseers in temporary charge of Executive Ranges the actual expense incurred for the conveyance of office records.
