*Stores.—*Passing orders on the estimate of stores required for the use of the Jails of the Madras Presidency for 1869-70, communicated to the Officer concerned.

Proceedings of the Madras Government, Judicial Department,
29th October 1868.

Read the following papers :—

No. 229. From the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 10th September 1868, No. 109. With reference to the Order of Government noted in the margin, I have the honor to forward an estimate of stores required for the use of the Jails of the Madras Presidency for the year 1869-70.

Judicial Department, 16th March 1868, No. 456.

Transferred to the Inspector General of Ordnance and Magazines, with reference to G. O., dated 9th March 1868, No. 312.
FORT SAINT GEORGE,
21st September 1868. (Signed) R. S. ELLIS,
Chief Secretary.

No. 230. From Colonel J. L. BARROW, Acting Inspector General of Ordnance and Magazines, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 26th September 1868, No. 198.

In acknowledging receipt of estimate of stores required for the Jails of the Madras Presidency for 1869-70, transferred to this Department with your docket,*

* 21st September 1868.

I have the honor to inform you that the estimate for the Ordnance Department for 1869-70 was, in accordance with the Order of Government†, forwarded from this office on the 14th August 1868, and I learn by a later Order of Government‡ that it has been sent on to the Right Honorable the Secretary of State for India.

† No. 1321, dated 31st March 1868.

‡ No. 3269, dated 23rd August 1868.

2. Since the introduction of the budget system, this Department does not indent on England for stores for the Jail establishment, nor for any other Department, the indent being confined to the wants of the Ordnance Department. I, therefore, beg to return the papers under reference, and will await the further orders of Government. Looking, however, to the nature of the stores required for Jails, and the smallness of the demand generally, I have no doubt that the greater portion thereof can be made available from ordnance stock.

3. This Department does not appear to have been furnished with a copy of the Order of Government, Judicial Department§, quoted by the Inspector General of Jails.

§ No. 456, dated 16th March 1868.

No. 231. ORDER THEREON, 29th October 1868, No. 1662.

Under the explanation afforded by Colonel Barrow in his letter above recorded, the Inspector General of Jails will be instructed to indent on the Inspector General of Ordnance and Magazines for such stores as he may require from time to time, and which may be available from ordnance stock. Such stores as are not available in the ordnance stock may be made up at the Public Works Workshop, Madras. The stores thus obtained from either Department will be paid for, and the cost debited in the Accounts of the Jail Department.

*Proceedings of the Madras Government, Judicial Department,
29th October 1868.*

2. It is observed that, under the instructions contained in the despatch from the Secretary of State for India to the Government of India, dated the 23rd December 1867, No. 464, estimates for stores to be sent Home should show the estimated gross quantities, rate, and value of the stores, and should be sent so as to reach England by the 1st October.

3. The estimate submitted by the Inspector General of Jails, however, does not contain the information required by the Secretary of State in respect of "rate" and "value," nor was it received in time to admit of its being despatched so as to reach England by the date prescribed.

4. The Acting Inspector General of Ordnance and Magazines will be informed that the Order referred to in paragraph 3 of his letter merely communicated the Proceedings of Government in the Public Department dated 9th March 1868, No. 312, which contained the despatch from the Secretary of State above referred to.
