CIVIL WORKS, No. 5.

1. Communicated to the Superintending Engineer of the 3rd Division with reference to the Proceedings in this Department under date the 5th September last, No. 2,735.

2. As the grant for Public Works for the ensuing official year has been already appropriated in the Budget Estimates now before the Government of India, His Excellency in Council does not believe that any adequate assignment can be made from Imperial Funds for the road between Chagulmurry and Nundial during 1868-69. Major Moberly will however submit an application for funds after the 1st April next, when the Government will consider what allotment can be made for the work from the Reserve.
