*Proceedings of the Madras Government, Public Works Department,
16th November 1868.*

No. 289. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 26th October 1868, No 3,636 —

1. With reference to G. O , No 3,285, dated 23rd October 1867, I have the honor to state that I called upon Mr. O'Shaughnessy, Assistant Engineer, Chittoor Range, North Arcot District, to report when Coopposawmy, Acting Overseer, was going to pass the examination prescribed for Talook Overseers That Officer submits a letter from the Overseer stating that, through press of business, he has not had time to study for the Overseer's test, and that he is, therefore, not prepared to pass immediately.

2. Coopposawmy Naidoo was originally entertained in 1860 as an Apprentice, and was attached to the Mount Range, Madras District, where he was employed in surveying, levelling, plan drawing, and estimating, and also in executive duties.

3. He has, moreover, passed the test prescribed for a Sub-Overseer, and the Range Officers under whom he served recommended him strongly for promotion. Under these circumstances, I beg to recommend that Coopposawmy Naidoo may, as a special case, be exempted from passing the prescribed examination, as there is, I think, already sufficient evidence to show that he possesses the qualifications required of an Overseer.

Docket from the Assistant Engineer Chittoor Range, to the Superintending Engineer, 4th Division, dated 5th October 1868, No 310

In reference to your No 3,108, dated 24th September 1868

Encloses a letter from the Acting Overseer, Palmanair talook stating that through press of business he has not had time to study for the Overseers' test, and that he is, therefore, not prepared for the necessary examination

From P COOPOOSAWMY NAIDOO, Acting Overseer in charge of Palmanair Talook, to the Assistant Engineer, Chittoor Range, dated Palmanair, 3rd October 1868, No 56

1 With reference to your memorandum No 321, dated 28th September 1868, I humbly beg to submit, that although I have endeavoured and studied to pass the Talook Overseers' test, I find it difficult to pass it now, as my time was always spent in travelling and in attending to my duties, as a kind reference to my Inspection Report will evince

2 Since my entertainment from 1860, I have always been employed on general works and other useful duties of the department, I passed for the Sub-Overseer's grade which was in use during, and some time after, my entertainment, I, therefore, beg you will be pleased to recommend me to be exempted from the required test on a favorable consideration of my indigent circumstances for the last eight years, as will be evident on reference to the Superintending Engineer's endorsements, Nos 3,043, dated 2nd December 1865, and 4,776, dated 4th March 1867

No. 290 ORDER THEREON, 16th November 1868, No. 3,574

ESTABLISHMENT, No. 29

Under the circumstances explained in this letter, the Government resolve, as a special case, to exempt Coopposawmy Naidoo from passing the departmental test, and to sanction his employment as a Talook Overseer in the Public Works Department.
