No 291. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp at Shetttoor, Raidroog Talook, Bellary, 30th October 1868, No 2,734 —

1. I have the honor to forward the accompanying two letters from Mr. C. R. A. Ottmann, and beg to know if I can appoint him as a Talook Overseer in this Division, where there are at present four vacancies in consequence of the death of Mr. Skipp, the resignation of Gunner Kinsella, the unfitness of A. Soobroy Moodelliar for further service, as certified by a Medical Committee, and the resignation of Acting Overseer Sutwajee Row, in order to take up the appointment of Assistant Estimator in my Office.

2. Mr. Ottmann's second letter is in reply to a docket of mine, requesting him to submit the certificate of having qualified as Talook Overseer.

From Mr C R A OTTMANN, to the Superintending Engineer, 3rd Division, dated No 33, Perambore Barrack's Road, Vepery, Madras, 5th October 1868

1 As I understand there is a vacancy of Talook Overseer in the Cuddapah District of your Division, I beg to offer myself for the appointment

2 I am a "passed Candidate," as you will observe from accompanying papers I entered the Public Works Department as Sub-Overseer in April 1857, and continued in it up to the re-organization in 1862-63, when I was thrown out I subsequently have been employed in private work, but the last three years I have been engaged on the Ceylon Railway, and now that the works there have been completed, I have lost employment

3 I beg to state that, both in the Public Works Department and the Ceylon Railway particularly, I have had large experience in "buildings" I enclose copies of my certificates, &c, for your kind consideration, and trust through your assistance, from what you will see of my papers, to re-enter the service of Government. It will be my endeavour to afford you every satisfaction

I am the son of Mr. A. F Ottmann, Pensioned Sub-Engineer of the Public Works Department

From Mr C R A. OTTMANN, to the Superintending Engineer, 3rd Division, dated Madras, 22nd October 1868

In reply to your letter, dated 11th instant, I beg to state, when I passed for the Department the Civil Engineering College was not in existence, candidates were examined in my time and passed on the recommendation rolls, similar to that I furnished you I hope it may not be too much to expect that my six years' experience in the Department, and subsequent three years in the Railway, afford some guarantee of my practical works, and that you will be pleased to consider my application on the papers before you

Sir

With reference to para 4 of the
order of Government of the 12th of
October No 3,210 I have the honor
to state, that owing to the slow
progress of the end rooms of the
Bakery, the Executive Engineer has
been obliged to take the work

is considered excessive by the
Executive Engineer. Until the
Contractor's claim is settled
it will not be advisable to hand
over

over the completed portion of the
Bakery to the Commissariate Depart-
ment.

for a new slaughter house were
