*Proceedings of the Madras Government, Public Works Department,
17th November 1868.*

No. 293. Read the following Endorsement of the Acting Controller of Public Works Accounts, dated Madras, 26th October 1868, No 3,173.—

Read the following letter from the Acting Civil Judge, Calicut, to the Acting Controller of Public Works Accounts, dated Calicut, 20th October 1868, No. 232

1. In re-transmitting the statement of expenses incurred in repairing certain Judicial buildings in this Zilla during the official years 1866-67 and 1867-68, received with your letter of the 11th September last, No 2,453, I have the honor to forward, from the Range Officer of Palghat, a receipt for the sum of Rupees 3-6-3 entered in the above statement as balance on hand, and now paid to him.

2. With regard to the Completion Certificates, I beg to annex copy of a letter from the Superintending Engineer, 7th Division, stating that it is not practicable to obtain them owing, as he says, to my predecessor's omission to apply for such papers earlier. I have to remark that this Department was not aware that those certificates were required till called for in your letter under reply.

From the Superintending Engineer, 7th Division, to the Civil Judge, Calicut, dated Bhowany, 16th October 1868, No 170.

I have the honor to request that you will intimate to the Controller the impracticability of obtaining Completion Certificates from the Public Works Officers for the repairs of the Civil buildings enumerated in the statement which accompanied your letter No 194, of 16th September, owing to your predecessor's omission to apply for such papers until after the lapse of more than two years in the case of seven of the buildings, and more than one year in the case of the eighth building referred to. It would be a mockery on my part to call for their submission.

Submitted to Government, with the recommendation that, under the circumstances explained by the Civil Judge and Superintending Engineer of the 7th Division, sanction may be accorded to the outlay included in the accompanying statement being passed by this Office without the usual "Completion Certificates" of the Officers of the Public Works Department.
