Proceedings of the Madras Government, Military Department, 18th November 1868

Read the following papers:—

No. 430. From the Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, Fort Saint George, dated Madras, 14th November 1868, No 410.

Referring to G. O. of the 26th June last, No. 2040, I have the honor to submit for instructions, a letter* which I have this day received from the Quarter Master General, on the subject of the experiment, the trial of which was authorised in order to ascertain the saving that would be effected in haulage, by placing knapsacks in the same carriages with troops travelling by railway.

*No 7690, *dated 13th November 1868, with enclosure, in original, to be returned.*

2. It seems that the Traffic Manager was called on by the Quarter Master General's Department to make arrangements for trying the experiment in question, on the move of the 1-20th Brigade Royal Artillery, from Madras to Tadputtry, and that he has asked for a certificate to the effect that any extra accommodation which may be required will be paid for by Government

3. The Quarter Master General states that he is not in a position to grant such a certificate, and has requested me to call upon the Traffic Manager to supply the necessary additional accommodation; but before doing so, I beg to be favored with instructions as to the mode in which the additional cost is to be met

4. From the Order of Government in the Military Department, No 2412, dated the 19th June last, I understood the intention of Government to be that the experiment should be tried at the cost of the State, and if such be the case, I do not see why there should be any difficulty on the part of the Quarter Master General's Department in granting the certificate required by the Railway authorities

5 As the move to Tadputtry is to take place on the 20th instant, I beg to be favored with orders as soon as possible.

From the Quarter Master General, to the Consulting Engineer for Railways; dated Fort Saint George, 13th November 1868, No. 7690.

Referring to Order of Government, No. 2412, dated 19th June 1868, I have the honor, by order, to forward (to be returned) an original letter from the Traffic Manager of the Madras Railway, addressed to the Deputy Assistant Quarter Master General, Centre Division, in reply to a letter from that Officer, requesting that arrangements might be made for the proposed experiment on the move of the 1-20th Brigade Royal Artillery from Madras to Tadputtry, which will take place on the 20th instant.

2 You will perceive that the Traffic Manager requires a certificate that any extra accommodation, which may be afforded by the Railway Company in order to carry out the experiment, will be paid for by Government.
