The lower rooms in my Cutcherry are
so dark that it can hardly be seen after
noon in the morning. In fact, there are excellent
rooms now in the Cutcherry, in account of a loosely
boarded floor, & small windows: of this
opening was replaced by brick work, and
the windows were knocked into doors &
opening into a verandah, to be constructed
and the terrace outside. I should have an
excuse of Cutcherry, & double the accommodation.
I am happy to hear that you will
have an estimate prepared for improving the
offices and rendering it habitable.
