No. 403. From the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 21st October 1868, No. 136.

1 Bill

• Sanctioned in G O, No 2,111, 2nd July 1868. 1. When I applied in my letter, No. 42, of 13th June 1868, for sanction for a free passage* for Serjeant Maile from Cocanada to Madras, I did not know that his family should also be provided with a free passage.

2. As I now understand from the Commandant of Sappers and Miners, that the Serjeant is entitled to a free passage for himself and family by steamer and rail, I have the honor to submit a bill, amounting to Rupees 84-13-6, and to request that the necessary authority may be given to the Controller of Public Works Accounts to pass the same.

Referred to the Controller of Public Works Accounts for report

1. Adverting to your Endorsement on the accompanying letter from the Superintending Engineer of the 1st Division, under date the 21st October 1868, No. 136, I have the honor to state that, as Government, recognizing Serjeant Maile as a member of the Public Works establishment, provided* him and his three children with passages to Cocanada on the occasion of his appointment as a Surveyor to the Godavery District, and subsequently† authorised this Office to pass the bill for a return passage to Serjeant Maile from Cocanada to Madras, the claim for reimbursement of the amount paid for the return passages of his three children seems equitable, and will be admitted on the receipt of orders from Government

2 The claim of Rupees 20-5-6, on account of Railway charges from Madras to Bangalore, must be specially dealt with, as the rules make no provision for the grant of a daily rate of travelling allowance or mileage to Non-Commissioned Officers and Soldiers rejoining the head-quarters of their corps from the Public Works Department. Seeing, however, that Government have defrayed the expenses of Serjeant Maile's return passage from Cocanada to Madras, they may perhaps be disposed, as an act of grace, to sanction the disbursement, as a final charge, of the amount paid on account of Railway fare for himself and his three children.
