*Proceedings of the Madras Government, Public Works Department,
19th November 1868.*

No. 414. Read the following letter from the Special Executive Engineer, Wynaad, to the Secretary to Government, Public Works Department, dated Luckadie, 27th October 1868, No 590.—

* Rupees 1,460

I have the honor to forward an estimate* for a building to provide accommodation for my Office, it is much needed, as hitherto I have been obliged to put up with a temporary building of the commonest description, to the great injury of all the Office records and stationery. There is no place in the neighbourhood that I could hire or adapt to the purpose.

No. 415. ORDER THEREON, 19th November 1868, No. 3,634.

CIVIL WORKS, No. 63.

As the existing arrangement for the Executive charge of the works in Wynaad is temporary, and will be subject to revision on the approaching completion of the greater part of the works now on hand, the Government consider that it would be premature to decide on the construction of any Range building at present.
