*Proceedings of the Madras Government, Public Works Department,
20th November 1868.*

No 435 Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 10th November 1868, No 3,924 —

1 E Manicum Mudali the Head Accountant of the Madras Water Works Office at the Red Hills, joined that Office on the 19th September 1867, on leave from the Accountant General's Office, which leave lasted until the 15th June 1868, the date of the establishment being made permanent, when he resigned his appointment in the Accountant General's Office

2 During this period he was on the *temporary* establishment of Captain Scott's Office, and would, according to the rules, lose service qualifying for pension

3 He therefore solicits that the interval, amounting to eight months and twenty-six days, may, as a special case, be allowed to count towards pension

4 Captain Scott recommends the grant of the boon, and therefore I forward the recommendation to Government but at the same time, I have the honor, in doing so, to remark that I see no reason why the rules should be set aside to suit Manicum Mudali However the case is submitted for the orders of Government
