*Proceedings of the Madras Government, Public Works Department,
20th November 1868.*

No. 442. Read the following Proceedings of the Madras Government in the Revenue Department, dated 13th November 1868, No. 2,858 :—
Read the following Proceedings of the Board of Revenue, dated 16th October 1868, No. 7,420.

Read the following letter from the Acting Collector of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Masulipatam, 18th September 1868, No. 275.

1. With reference to the Board's Proceedings of the 21st December 1867, communicating the Order of Government, No. 3,015, dated 18th idem, sanctioning estimates, amounting to Rupees 2,000, for constructing a road from the village of Vulloor to the Masulipatam canal, I have the honor to forward a revised estimate for the same road for Rupees 4,355, received from the Superintending Engineer.

2. The difference between the said two estimates is Rupees 2,355, which the Superintending Engineer states is required for metalling and gravelling the road.

3 I request the Board will be pleased to sanction the same, as unmetalled roads in the Kistna District are impassable for nearly half the year. Funds will be supplied from the unappropriated balance of the District Road Fund for the current official year.

ENCLOSURE No 1

From the Superintending Engineer, 2nd Division, to the Acting Collector of the Kistna District, dated Bezoarah, 11th September 1868, No 144.

1 The Zemindar of Vulloor having applied to me to permit the road, sanctioned in Government Order, No 3,933, dated 21st December 1867, to be "metalled and gravelled," instead of "sanded," I have the honor to forward a revised estimate and comparative statement for the sanction of the Board of Revenue and Government

2 As the Zemindar pays, I believe, about 1,500 Rupees per annum as Road Cess, and this is the third year that it will be levied, I would beg to recommend that the benefit he seeks may be granted
