No. 468 Read the following Proceedings of the Board of Revenue, dated 27th October 1868, No. 7,661.

Read the following letter from the Acting Collector of Madras, to the Acting Secretary to the Board of Revenue, dated Sydapet, 24th September 1868, No. 310 —

1. Under the Order of Government, dated 18th July last, No. 2,293, Department of Public Works, a piece of land at Perambore, a little more than nineteen cawnies in extent, and belonging to two individuals, was taken under Act No. VI. of 1857, for the use of the Railway Company needed by them for brick-fields in connexion with the works at the Central Station

2 The owners of the land having declined to accept the compensation offered by me on behalf of Government, their claims were referred to arbitration, Mr. J. Howell, Manager of the Revenue Settlement Office, being appointed as arbitrator for Government. The award of the arbitrators in both cases was for a less sum than that offered by me.

3. I have, therefore, the honor to request sanction for the payment, in each case, of their fees at Rupees 70 for each arbitrator. A moiety of the fees will be paid by the owners, together with their own costs.

4. As the arbitrators in both cases were appointed prior to the Government Order (communicated with the Board's Proceedings of the 4th September 1868, No. 6,292,) was received in the Office, I trust the Board will sanction the fee recommended to Mr. Howell.

SUBMITTED for the orders of Government.

2. Under the circumstances stated in paragraph 4 of Mr. Thornhill's letter, the Board consider that Mr. Howell should be allowed to draw his fee.

Transferred to the Public Works Department.
