Proceedings of the Madras Government, Military Department,
12th November 1868. 3

Read the following papers:—

No. 238 From the Superintending Engineer, 6th Division, to the Secretary to Government, Department Public Works; dated Jayencondasholapuram, 23rd September 1868, No. 681.

With reference to G. O. No. 2194, dated 9th July, communicating the Order of Government sanctioning the promotion of Serjeant W. Jack to the rank of Sub-Conductor from the 30th June

No. 2579A.

1868, I have the honor to inform you that Sub-Conductor Jack requested that I would recommend that his promotion to the Warrant grade might be ante-dated to the 25th October 1867, when he was re-employed in the Department Public Works, and was transferred to the "unattached list," as vacancies existed in the Warrant grade at that time. I informed him that I thought it useless to recommend that his promotion to the Warrant grade should be ante-dated to the 25th October 1867, as I believed there was no precedent for such a proceeding. He informs me that the promotion of Mr. Sub-Engineer Hasler to the Warrant grade, under circumstances very similar to his own, was ante-dated to the 18th January 1866, though the Warrant is dated 20th November 1866. I therefore refer the matter for the orders of Government.

Transferred to the Military Department, with reference to the Order in that Department No. 2579A, of the 30th June 1868.

The promotion of Serjeant Hasler, with retrospective effect, to the rank of Sub-Conductor, alluded to by Captain Oakes, will be found recorded in the Order in the Military Department No. 3706A, dated 23rd October 1868

With reference to the correspondence referred under your docket of the 1st instant, I have the honor by order to state, for the information of the Right Honorable the Governor in Council, that the Commander-in-Chief considers it inexpedient that any alteration should be made in the date of Sub-Conductor Jack's rank to the Warrant grade.

The Governor in Council concurs in His Excellency the Commander-in-Chief's opinion, which will be communicated to the Public Works Department
