*Proceedings of the Madras Government, Revenue Department,
16th November 1868.*

No 285 Read the following Proceedings of the Board of Revenue, dated 3rd November 1868, No. 7,801 —

1. The Board learn that the practice, with reference to Soldier-students entertained on the Imperial Establishment, is not to recover the outfit money, but to treat it as a gratuity.

2. Government have, in their Order of the 27th August, ruled that the appointment of Road Fund Overseers is not suitable for Military men, except as preparatory to permanent employment on the Public Works Establishment, to which they should be transferred at the earliest possible date.

3 Under these circumstances, the Board would suggest that the two Soldier-students now employed in the Godavery be at once transferred to the Imperial Establishment, and the advances made on their behalf adjusted from Imperial Funds, as it will be hardly fair that the Road Fund should be saddled with the exceptionally high preliminary expenses attending the employment of men whose subsequent services are to be transferred from it at an early date
