PUBLIC WORKS

NOVEMBER

NO 531511

Proceedings of the Madras Government, Judicial Department,
10th November 1868.

No. 82. Read the following letter from the Acting Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Madras, 28th October 1868, No. 5807-1949

Putting and Building

I have the honor to submit, for the sanction of Government, a bill for Rupees 400-4-8, for asphaltting and repairing the flooring of my office, also a letter, No. 486, dated 10th October 1868, received from the Executive Engineer, Presidency, Southern Range, explaining the cause of the increased cost.

2. The sum originally sanctioned for the work in G O of 16th November last, No. 1847, was Rupees 120. To provide funds for the additional charge, I beg the sanction of Government for the following transfer of funds provided in the Police Budget under head "Repairs."

District	Work	Amount	District	Work	Amount
From		RS	To		RS
Trichinopoly District	Police repairs	150	Presidency	To supplement the sum (Rupees 120) sanctioned in G O of 16th November 1868, No 1847, for asphaltting the flooring of a part of the building used as chief office of the Inspector General of Police.	281
Cuddapah District		131			
Total		281			

From the Executive Engineer, Presidency, Southern Range, to the Assistant to the Inspector General of Madras Police, dated Madras, 10th October 1868, No 846.

I have the honor to enclose a bill for Rupees 400-4-8 on account of asphaltting the floors of your office, which was completed in March last. The repairs were undertaken under G. O. No 3628, dated 22nd November 1867, D P W.

and the expenditure was shown in my accounts under the head "Miscellaneous Advances," which I am now directed by the Controller to adjust

2. The original estimate amounted to Rupees 120, and the cause of the increase in the cost of the work above this sum is explained in the accompanying copy of a letter which was addressed to the Superintending Engineer at the time

No 755, dated 29th November 1867
See also Superintending Engineer's reply thereon,
No 4190 dated 2nd November 1867

From the Officer in charge of No 2 or Southern Range, Presidency, to the Acting Superintending Engineer, 4th Division, dated Madras, 29th November 1867, No 755

I have the honor to bring to your notice that, in consequence of there being no good asphalt procurable in the market, I indented on the Public Works Stores for 3 tons and a barrel of tar for the flooring of the office of the Inspector General of Police. I find that the value of the former is Rupees 313-10-6 and of the latter Rupees 34-11-5, making altogether Rupees 348-5-11 (exclusive of the cost of laying down the flooring), whereas the cost of the quantity of the asphalt formerly used that would be required for this work would have been only Rupees 81-4-0

Proceedings of the Madras Government, Judicial Department,
10th November 1868

2. The estimate for the work amounts to only Rupees 120, and was prepared from the data for the asphalt formerly in use. The material procured from the Public Works Stores will not have to be paid for in cash, so that the actual expenditure in money will be only about Rupees 35.

3. Under these circumstances, I request you will be good enough to let me know if I am to proceed with the work.

From the Superintending Engineer, 4th Division, to the Executive Engineer, Southern Range
Presidency, dated 2nd December 1867, No. 4190
(No. 735, dated 29th November 1867)

The Public Works Stores asphalt may be used and the cause of the expenditure falling short of the sanctioned amount should be explained to the Inspector General of Police, when submitting the bill to that Officer.

No. 83. ORDER THEREON, 10th November 1868, No. 1714.

Sanctioned.
