*Proceedings of the Madras Government, Public Works Department,
23rd November 1868.*

No. 512. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Salem, 18th November 1868, No 151 :—

I have the honor to request authority for the Executive Engineer of Bangalore to proceed to Mercara to inspect the repairs to the roof of the palace at that station. A large expenditure has already been incurred, and work to the amount of Rupees 16,000 has to be done during the present season. It is very desirable that the work already executed should be carefully examined and measured, and the correctness of the detailed estimate of work remaining to be done ascertained. The Executive Engineer will be absent a week, or at the most ten days, and arrangements can be made for the works at Bangalore being carried on during his absence.

No. 513. ORDER THEREON, 23rd November 1868, No. 3,677.

CIVIL WORKS, No. 81.

The arrangement proposed in this letter is sanctioned.

(True Extract.)

Colonel, R. E.,
