*Proceedings of the Madras Government, Military Department,
16th November 1868.*

Read the following papers:—

No. 315. From the Quarter Master General, to the Secretary to Government, Military Department, Fort Saint George; dated Head Quarters, Ootacamund, 28th October 1868, No ¹⁰⁶⁸/₇₄₃₃.

I have the honor, by order of His Excellency the Commander-in-Chief, to request the sanction of Government to the expenditure of Rupees 27* per mensem by the Officer Commanding 3rd Regiment Light Infantry, for the removal of the sewage of the lines of the Regiment at Royapoorum, until the drainage of the lines has been completed by the Public Works Department.

* For six men at Rupees 4-8-0 each

1 Letter from the Officer Commanding 3rd Light Infantry, No. 172, dated 12th October 1868. 2. The correspondence as per margin is enclosed, and shews the necessity for the establishment applied for.

2 Letter from the Executive Engineer, No 1 range No. 1213, dated 16th October.

From the Executive Engineer No 1 range, to the Deputy Assistant Quarter Master General, Centre Division; dated Fort Saint George, 16th October 1868, No 1213.

I have the honor to transfer the enclosed letter† from the Officer Commanding 3rd Light Infantry, and to suggest that application be made to Government for means of removing the sewage of the lines till the drains are built and communication with the town sewer completed, which will, I estimate, require about six months more.

2 The main drain now in progress runs along the bottom of all the line drains, but I cannot admit the sewage into it till it is finished—till lately the sewage was discharged into pits and hollows adjacent which are cut off by the main drain, the procedure was however wrong, as all the offensive matter was close to the houses at the end of the lines

From the Acting Commandant 3rd Regiment Light Infantry, to the Executive Engineer, Madras; dated 12th October 1868, No. 172.

I have the honor to request you will be good enough to rectify the stoppage of our line drains, as all the sewage is collecting and causing a much offensive smell

No. 316. With report from the Contr. of Mily. Accounts, 5th November 1868, B.

No. 317. ORDER THEREON, 16th November 1868, No. 4448.

The expenditure* proposed in the foregoing letter from the Quarter Master General is sanctioned, pending the completion of the drains of the Regimental Lines at Royapooram.

* Rupees 27 per mensem for six men at Rupees 4½ each.
