ORDER THEREON, 7th November 1868, No 363

2 It was clearly the duty of the late Collector, on the receipt of the Government Order above referred to, to have informed the Deputy Inspector General that on visiting Coimbatore the medical certificate of Suttamungalum Cheluvarya required his confirmation. The omission to give this information caused the great delay which has taken place in obtaining a fresh certificate from the Medical Board at Trichinopoly To guard against similar delay, His Excellency the Governor resolves, that whenever it may be practicable to do so, applicants for pension should be directed to proceed to the Head Quarter station of the Deputy Inspector General, and obtain the requisite confirmation of the medical certificate pronouncing them disqualified for further service.

4. Ordered that paragraph 2 of these Proceedings be communicated to the several Collectors in the Provinces, and to the Inspector General, Indian Medical Department.
